

**2019 PAGE NEWSPRINT PURCHASE AGREEMENT AND SURVEY**

*The main purpose of PAGE is to maximize the savings it can realize for its members by negotiating contracts for bulk purchases of products and supplies. In order to do this, PAGE has joined Cox Newsprint Supply (CNS) and must receive from its members assurances that they will purchase all of their standard newsprint for any single location through the Cooperative's purchasing system and agrees to a minimum annual newsprint purchase commitment. This Agreement, upon being duly executed by both parties, will constitute the Newsprint Purchasing Agreement between the Member and PAGE Cooperative.*

**Preferred Supplier Commitment:**

We will try to place your allocation with the specific Preferred supplier(s) you choose if available and unless the freight charges are unacceptable, at which time another possible supplier will be suggested to you. Please mail or fax this agreement to the PAGE office by November 29, 2018.
